

Professional Internship Completion and Job Experience Certificate

This is to certify that:

AHISHAKIYE Alexis

has successfully completed the 2 months Internship and Projects at the Pakistan High Commission

The training and jobs were in the areas of communication and negotiation skills, personality development, public speaking, project proposals, project management, report writing, international relations, trade, and carrying out various tasks with professionalism while fulfilling assigned duties.

A field project related to market surveys, bilateral trade, and marketing was also done successfully.

We appreciate your valuable contributions and wish you success in future endeavors.

(Pervaiz Bhatti)
